

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

2023–2024 Registration Form

Positive Youth Development is at the core of everything we do. Every day, we support young people and encourage them to reach their fullest potential. We strive to create environments where children can learn and grow, and in actuality extend the learning day through positive relationships with YMCA staff and structured enriching curriculum that supports social and emotional development. We want youth to thrive – to be innovative, creative, to try new things, to laugh, play and make new friends, to build lasting relationships with caring adult role models at the Y.

A separate registration form for each child needs to be completed, along with a non-refundable \$50 fee per child. A Massachusetts Department of Early Education & Care registration packet will be sent electronically via a company called UpBup to you once your registration and fee is processed. This packet must be submitted at least 2 weeks prior to attending the program for review and processing. No child will be permitted without a completed electronic enrollment packet. Care is also provided on Early Release Days and School Vacations (separate registration forms will be provided).

Financial assistance may be available for qualifying families – Vouchers also accepted.
